Power Inn Partners

The Power In Partnerships - 2020 in Review

We recognize the leaders came together creating solutions and resources to guide struggling businesses through the changes we were suddenly facing.

The Inclusive Economy Development Collaboration (IEDC) A coalition of local Chambers, Business Districts, legal and technical experts who quickly created educational series to educate and mentor on business-related issues.

Through IEDC, The Alliance gave out 20 micro-grants, multi-lingual educational webinars, technical assistance, legal grant-writing help, hands free thermometer scanners and thousands of PPE masks as part of the Alliance *We've Got You Covered* campaign. Visit **SacIEDC.org**

Davison Iron got their masks

Sisler & Sisler Construction donated thousands of cleaning and safety supplies to our local businesses, College Glen and Elk Grove schools, and businesses in the Florin Road Partnership.

Tom Towne helps SSPCA staff load up on supplies

The **City of Sacramento's Small Business Assistance** program hosts a wide range of support and resources for businesses and residents.

First Responder Appreciation Day

October 14, 2020 Power Inn Alliance hosted ***First Responder Appreciation Day*** raising over $600 for **Police Cares Foundation** and the **FireFighters Burn Institute.** Hundreds of baked goods created by Fat Cat Bakery and Asante were given out to area stations.

Depot Park hosted the event honoring our First Responders

Same Security Team..New Name -- Watchmen Specialty Protection

The Alliance has partnered with Watchmen Specialty Protection (formerly Metro Surveillance Security) for the Security Patrol & Alarm Response (SPAR) program. For more information on SPAR visit here.

SAFETY CENTER
INCORPORATED®

Safety Center is Now Offering Cal/OSHA 30 -HR General Industry for the Cannabis Industry

This Cal/OSHA 30-hour General Industry course is designed and customized to address common safety and health issues by identifying hazards, and mitigating solutions in the prevention of injuries and illnesses as it relates to the cannabis industry.
Upcoming Course: February 8-12, March 15-19

SAFETY CENTER

Safety Center is Now Offering ~
Cal/OSHA 30 - HR General Industry for the Cannabis Industry

Providing Safe, Successful, and Compliant Solutions for Cannabis Operations

All employers in the cannabis industry, including those who: Cultivate, Manufacture, Distribute, Sell, and Test Cannabis products, must take steps to protect their employees from all health and safety hazards associated with their work.

It's not just about being compliant, but being a leader of safety in the Cannabis Industry.

Assembly Bill 2799 states an applicant for any type of state license issued pursuant to this division **shall** have at least ***one supervisor and one employee*** to successfully complete a Cal/OSHA (Occupational Safety and Health Administration) 30-hour General industry course. Training must be completed within a year of the cannabis business receiving its license, or having its license renewed.

Upcoming Course: February 8-12, March 15-19

REGISTER NOW

This Cal/OSHA 30-hour General Industry course is specifically designed and customized to address common safety and health issues by identifying hazards, and mitigating solutions in the prevention of injuries and illnesses as it relates to the cannabis industry. Upon successful completion of the course, participants will receive a Cal/OSHA 30-hour General Industry Outreach card.

Short list of topics to be covered: Intro to Cal/OSHA, Injury and Illness Prevention Program (IPP), HAZCOM, Ergonomics, Material Handling, Electrical Hazards, Respiratory Protection, and many more.

Safety Center remains committed to providing quality safety training throughout California. We understand many businesses depend on Safety Center's training courses to keep their employees safe and educated, therefore we are happy to share the first of many live instructor-led, online safety training courses. Our courses have been designed to allow for maximum engagement, participants are able to engage with instructors throughout the course and learn from insight from other participants.

Clean & Safe News

The Alliance staff and clean up crew continues in keeping public spaces free of debris and illegal dumping, including unclogging storm drains. The current situation has brought many challenges, yet we work to respond within a couple of days. On the positive side, having a team who knows this district so well is that we spot suspicious activities and report them in to the right agencies - yet in covering 36 miles of the city, we also appreciate your reports into our office.

Here is a snapshot of some of the efforts of 2020:

714 Reports into the Alliance/Actions Taken
4933 Bags of Trash Collected
324 Illegal Dumps Cleaned
332 Shopping Carts Retrieved
216 Dumped Tires Picked Up
125 Bikes Found
87 Hrs Cleaning Light Rail Stops
58 Abandoned Vehicles Towed

Many THANKS to our members and Adopt A Road sponsors who make this happen!

Power Inn Alliance thanks our generous Business Partners that help make this a wonderful community.
