

Power Inn Alliance, Executive Director

The Power Inn Alliance (the Alliance) Board of Directors is seeking an Executive Director to lead and manage the activities of the business organization. The new Executive Director will be hired by the Board of Directors to oversee, implement and manage programs that have been developed by the organization. The 25-member Board will continue in its current role, setting policy direction and supporting the Executive Director and staff. In addition, the Executive Director will administer the organization, including fulfilling all organizational duties associated with the PBID, administering the 501(c)(6) nonprofit organization.

As our new Executive Director, you'll enjoy the opportunity to manage the largest property and business improvement district in the region. With over 1,300 members, the Alliance is the de facto chamber of commerce, the business advocate, the transportation management association and the community spokesperson for a 6.2 mile wide region of Sacramento.

This position is a great fit for a creative, natural born leader with a passion for building teams and partnerships. A desire to build strong relationships is a must – interfacing with business and property owners, public agency staff and officials, and other nonprofits is a large part of the position. Strategic planning, creating and implementing an organizational vision, event management, and increasing revenue generation are also key aspects of the position.

A Bachelor's Degree Equivalent to a Bachelor's degree from an accredited college or university, with major course work in business or public administration, marketing, public relations, community development, economic development or a closely related field. is required.

Previous responsible experience in a similar organization involving familiarity with the full range of functions of a Property and Business Improvement District including the management of security and crime abatement programs, marketing, business development, transportation association management, fundraising, strategic planning, fiscal management, advocacy and economic development.
