## **Manufacturers Looking for Trained Talent - Help Us Train Your Workforce**

Councilmember Eric Guerra has joined forces with Hacker Lab and Power Inn Alliance to help fill the need for a trained workforce - and we invite local manufactures to join the Zoom meeting to give input and describe the types of skills they are looking for. Your feedback will help focus efforts and design classes.

[Hacker Lab](#) is an open space (and online) maker space complete with training workshops, mentorship guidance, and offers wood making, welding, jewelry creation, and a 3D printer equipment.

Zoom meeting - Thursday, September 3rd. 2:00 pm - 3:00 pm.

## NEW ALARM RESPONSE PARTNER FOR ALLIANCE MEMBERS!

The Alliance has partnered with Metro Surveillance Security as the new alarm response provider for the Security Patrol & Alarm Response (**SPAR**) program, just for Alliance members within the district bounds.

Properties with permitted alarms are able to sign up for SPAR. In the event your alarm is activated, Metro Security will respond - and could save you hundreds of dollars in false alarm fees.

Metro Security is familiar with the Power Inn area serving as patrol for multiple properties. We look forward to our new partnership.

For more information, contact Dawn Carlson. [Dawn@PowerInn.org](mailto:Dawn@PowerInn.org).

## NATIONAL MANUFACTURING DAY - VIRTUAL TOURS

National Manufacturing Day (MFG Day) is annually held on the first Friday in October with month-long events and celebrations across the U.S. MFG Day highlights the reality of modern manufacturing careers by encouraging thousands of companies and educational institutions around the nation to open their doors to students, parents, teachers and community leaders. MFG Day empowers manufacturers to come together to address their collective challenges so they can help their communities and future generations thrive.

Mfg Day in the Sacramento Region will be much different in 2020 as we pivot from in-class presentations and tours of local area manufacturers to an online/Zoom video conferencing format.

### Showcase Your Business and Host a Virtual Tour!

Consider the possibility that as manufacturers, we have the potential of reaching up to 1,000 students in a single day, inspiring them to become the next generation of manufacturing in our region!

SVMF is looking for 8 to 10 manufacturers in our region who would be willing to host 2 - one hour

SVMI is looking for 8 to 10 manufacturers in our region who would be willing to host 2 - one hour video conferences (morning and afternoon) on Friday, Oct 2, 2020. The goal of these video conferences is to spotlight 8 to 10 different manufacturing career pathways by introducing them to your young/diverse/relatable manufacturing workforce. Your support and participation has the added value of strengthening manufacturing and education programs at the high school and community colleges.

For details Contact:

Dean Peckham, SVMI Executive Director      dpeckham9@gmail.com

## DINING & ENTERTAINMENT

Miss going out and doing fun things? We do too. Pick up some food and beer and make a Take Out Date! [Power Inn Entertainment Guide](#)

Check out interesting places to spend your lunch break:

**Thompson Design Center** (formerly Silverado) - 5250 S. Watt Ave.

**Rock Mama Gallery** - 5501 Power Inn Rd.

**Green Acres Nursery** - 8501 Jackson Rd.

**High Five Sports** - 916-470-7188 (by appointment only)

**Sincere Ceramics Classes & Gallery** - 5931 Power Inn Rd.

## WE'VE GOT YOU COVERED!

Power Inn Alliance has disposable face masks for small and medium sized businesses in and near the Alliance district. The masks are free, but there are a few important items to note:

- Be located in or nearby the Power Inn Alliance district
- The business cannot be a government agency
- 10 masks per employee (up to 250 masks per organization)
- First come, first served
- **Download this [form](#) and email to [Dawn@PowerInn.org](mailto:Dawn@PowerInn.org)**

Stay Safe. Stay Healthy.

Kniesel's Collision on Power Inn Road is covered!

## CRIME TIP OF THE MONTH

[Stay Calm.](#) [Gather Details.](#) [Report.](#)

One of the many great things about our connected community is that we report in crime and suspicious activity. It's not always easy to collect information when you see something - yet every detail helps Police and Power Inn staff understand what you saw.

Every report keeps me informed of activities in our district. However, many times I get reports of "This guy on Power Inn Road...." or "These people are doing drugs..." but it's a photo of an empty vehicle with a vague

address.

Help me, help you! Please try to safely note as many details as possible. I will drive by pretending to be on the phone while I'm snapping photos. Keep in mind a few key points:

- What does the person(s) look like - top to bottom? Facial hair and clothing are very important.
- What did you see?
- Where did you see it?
- What is the mode of transportation and was there any key details about it?

I am happy to come to your business or organization to teach **Business Watch** skills in a 1-hour class.

Contact me to set up a time. [Dawn@PowerInn.org](mailto:Dawn@PowerInn.org)

Be Safe!

## EMERGENCY CONTACT REGISTRATION

In the event that your building is damaged or burglarized when no one is around, please take a moment to fill out your [after-hours contact information](#) so that someone can be notified.

This information will be kept strictly confidential and only shared with Sacramento Police Dept. You may update this information at any time by contacting [Dawn@PowerInn.org](mailto:Dawn@PowerInn.org)

**Power Inn Alliance would like to thank our generous Business Partners that help make this a wonderful community!**
