

CRIME PREVENTION PRACTICES

WHAT TO DO:

- Turn off Wi-Fi after hours
- Inspect your property several times a week
- Remove outdoor access to water and electricity
- Secure all tools in a locked structure out of view
- Cover walls with live or artificial greenery or art
- Remove tagging and graffiti immediately
- Block roll-up doors with vehicles or heavy equipment when you are gone
- Practice with your teams on observing and reporting
- Remove keys and valuables from vehicles and lock the doors
- Lock all dumpsters during the day. Install doors and a roof on any enclosures.
- Install bright outdoor lighting and quality surveillance with motion detection and remote viewing capability
- Cut tall brush and trees 6' from ground and trim brush to 2' in height to prevent hidden campsites

GRAFFITI

Photo all tags, then remove or cover paint within 72 hours to remove the notoriety.

File a Police report for vandalism and include ALL costs for removal (including gas) to aid in prosecution.

WEED MITIGATION

The City of Sacramento notifies property owners at the address registered with the County Tax Assessors Office that high weeds must be abated by April 15th each year, or owner may be subject to a fine. Contact the City (916) 808-5404 for more information.

WHAT TO DO:

Join with Power Inn Alliance as part of the solution
